FREE 15 minute “**Curiosity Call**” to see how coaching moves leaders from where they are, to where they want to be.

Email **SUBJECT: Curious About Coaching**

HELLO!

I am Eric Stender

Since 2018, I've benefited in being actively engaged in leadership coaching (as both a Coach and Client). I coach leaders, like you, who are ready to "lean forward" as they make intentional progress in moving from where they ARE, to where they want to BE.

I'm certified through Coach Approach Ministries and am currently accruing hours for credentialing through the International Coaching Federation (ICF).
